

LWW Health Library

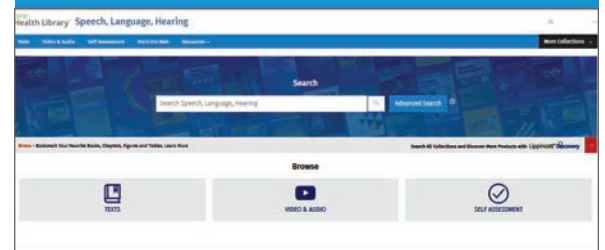

SPEECH, LANGUAGE & HEARING

Why LWW Health Library?

Designed to support foundational learning and clinical practice, LWW Health Libraries deliver trusted health science education and clinical content to residents, fellows, program directors, faculty, and clinicians through a single portal — providing interactive online access to essential textbooks, multimedia & imagery, real-life case studies, and quizzes.

The LWW Health Library: Speech, Language & Therapy collection meets the evolving needs of today's learners, whether they've just begun their education or they're already a professional therapist. They'll learn from leaders in the field, get crucial clinical experience, and prepare for certification exams.

Powerful online learning package for Speech-Language Pathologists and Audiologists

LWW Health Library SPEECH, LANGUAGE & HEARING Includes:

- **15 core textbooks** for the SLH student and practitioner (full list on reverse)
- **Over 500 video and audio files** covering fluency, audiology, voice, neuroscience, and anatomy and physiology
- **More than 1,500 multiple-choice questions** to assess comprehension of key concepts and procedures
- **Content updated regularly!**
- **Key titles include:** *Stuttering: An Integrated Approach to Its Nature and Treatment*; *Neuroscience for the Study of Communicative Disorder*; and *Handbook of Clinical Audiology*

Key Features of LWW Health Library:

A single portal to foundational and basic sciences resources, as well as rich multimedia tools for teaching, learning, and practice.

- **Account personalization:** Save content to a 'My Health Library', access Health Library from any computer, and set up email alerts for when new content is added
- **Quizzing:** Create custom quizzes organized by topic, keep track of responses, and link to relevant content to help with remediation
- **Ovid MEDLINE widget:** Connects students to valuable primary literature with an exclusive Ovid Insights search widget, which returns targeted results and article previews
- **Advanced semantic search:** View results displayed by title, chapter, topic, and/or type of resource
- **Responsive Design:** Browse content on your computer, tablet, or smartphone with ease
- **Self-directed learning:** Simple, intuitive navigation and individualized self-assessments give residents control over their progress and motivation to learn
- **Sharing:** Much content, including technical videos, can be shared with colleagues and classmates
- **Print/save a chapter:** Download chapters via pdf, for easy access to content when offline — for note-taking or to print
- **Multimedia ancillary content:** Access to videos, images, Q & A, patient education handouts, and more

LWW Health Library SPEECH, LANGUAGE & HEARING

LWW is a pioneer in medical and health science information, and the book collection features the following field-leading texts:
